Subject: Advances from Pusser's Rum Limited/Pusser's West Indies Limited to Pusser's Inc.

Dear Jim:

I wanted to drop you a note and thank you for your agreement with Charles to increase the short term liquidity loans to Pusser's Inc.

Candidly, as Charles told you, we should not be in this position. Unfortunately, as a result of Thayer under-insuring the Annapolis hotel and our agreement with them under the Operating Agreement that they would provide our insurance, we find ourselves in the situation where they are manipulating the payment of insurance proceeds under the policy that covers both of us to their advantage and to the significant disadvantage of Pusser's. However, by not agreeing with them, it means that on the one side, we have to rebuild the unit and on the other side, we do not have the insurance proceeds from which to rebuild. What you are doing enables us to bridge this problem, I sincerely want to thank you for this.

Pusser's Rum/PWI had originally advanced \$250,000 to cover this problem. Of that amount, \$150,000 was returned when the first insurance proceeds were received and you were kind enough to carry \$100,000 over to the next funding tranche. Charles tells me that we may need to move between \$60,000 and \$100,000 up in addition, and possibly more for construction.

I confirm that the \$100,000 plus any other funds that are moved from Rum/PWI to Pusser's Inc. to cover the cash shortfall will be repaid from the first available cash proceeds in the United States, and specifically ahead of any payments of legal fees to my firm or cash distributions to Magwitch or others. It's the least I can do to say thanks. Believe me, we will get it all back and then some from the proper settlement of the loss that we suffered as a result of Hurricane Isabel.

Talk with you soon,

All the best

Lloyd
